COMMISSIONER FOR PATENTS

**TERMINAL DISCLAIMER**

Microsoft Corporation, One Microsoft Way, Redmond, Washington 98052, (Microsoft) is the owner of the entire interest in the above-identified application. The assignment was recorded on May 17, 2004, (Reel 015333, Frames 0506-0510).

Microsoft hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent issuing from United States Patent Application No. 10/892,260 (U.S. Patent Publication 2005/0091646), and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from United States Patent Application No. 10/892,260 (U.S. Patent Publication 2005/0091646), this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Microsoft does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent issuing

from United States Patent Application No. 10/892,260 (U.S. Patent Publication 2005/0091646), in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

I am empowered to act on behalf of Microsoft.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
